- Quantity & quality of awards, prizes, etc.

#### 2) Letters of reference

##### Characteristics and abilities

- Critical thinking, independence, perseverance, originality, organizational skills, interpersonal skills, leadership, communication skills, initiative, motivation, interest in discovery, research ability

#### 3) Track record of supervisor

##### Training environment

- Supervisor's training record
- Supervisor's research record
- Supervisor's funding
- Are there resources clearly identified for this project

#### 4) Trainee-driven

##### Role of applicant in this proposal

- Trainee has had substantial input into the **design** and writing of the proposal
  - Trainee will influence how the project is implemented
  - Trainee's role in the project
  - Trainee will not just undertake analyses
  - Trainee has obtained funding for project

#### 5) Career plan

- How does the project and the year of extra training mesh with the long term career goals of the resident
- Does the resident plan on undertaking additional training that will likely enhance a future academic career
- Does the trainee explain how this year will increase their chances of being recruited to an academic centre (should this be their goal)

#### 6) Research Proposal

- Scientifically rigorous
- Background/preliminary data to support the hypothesis
- Clear hypothesis and objectives
- Appropriate approach
  - proposed 'experiments' specifically address the hypothesis and objectives
- Data collection and analysis can be completed in the proposed time frame
- Detailed sample size presented
- Detailed statistical plan described
- Original
- Well written proposal with data/previous work necessary to assess the project be included in the 3-page proposal
- The scope of the project is feasible for a 1-year fellowship

## CPEG FELLOWSHIP AWARD APPLICATION ASSESSMENT RATING GRID

### Notes to reviewers:

- Use the full range of scores
- Keep considerations in mind when scoring
- **Double check *candidate type* for appropriate column**

CANDIDATE TYPES AND POSSIBLE RANGE OF SCORES			
VARIABLES	RATING	A. 1 <sup>st</sup> -YEAR APPLICATION TO CPEG	B. 2 <sup>nd</sup> -YEAR APPLICATION TO CPEG
		Range	Range
<b>PAST PERFORMANCE</b> <ul style="list-style-type: none"> <li>• Research, academic or professional development</li> <li>• Experience</li> <li>• Awards, prizes</li> <li>• Presentations</li> </ul>	• None–very low	0–3	0–2
