The University of Alberta, Faculty of Medicine & Dentistry, in partnership with Alberta Health Services (AHS) invites applicants to apply for a Clinical Academic Colleague position within the Division of Pediatric Endocrinology in the Department of Pediatrics.

The successful applicant will join four academic pediatric Endocrinologists providing a full spectrum of clinical Endocrinology services. In addition to clinical care, the division is active in teaching at the undergraduate and postgraduate levels, and has a fully accredited Pediatric Endocrinology subspecialty-training program through the Royal College of Physicians and Surgeons of Canada.

This position will be comprised of approximately 80% clinical service and 20% academic pursuits. The clinical duties will include general Endocrine and Diabetes clinics. The candidate will also participate in the call and service schedules. Contributions to education at the undergraduate and postgraduate levels are expected from all faculty.

Interested applicants must hold an MD and must have completed a subspecialty residency in Pediatric Endocrinology, and be certified or eligible to become a fellow of the Royal College of Physicians and Surgeons of Canada. See the Royal College of Physicians and Surgeons of Canada for more information on various routes of credentialing (http://www.royalcollege.ca/portal/page/portal/rc/credentials/start/routes).

The University of Alberta Medical School is one of the top 50 teaching and research universities in the world. The University of Alberta is home to 39,000 students and 15,000 faculty and staff. Founded a century ago, the University has an annual budget of $1.8 billion and attracts more than $480 million in sponsored research revenue.

Remuneration for this position will be based on an ARP grid level based on years of experience. Interested applicants should forward their curriculum vitae and a letter of application to:
